

Blackout

Friday, August 14

Go Green, Blackout! Residents, businesses and organizations are invited to conserve energy on Friday, August 14. Turn off lights and non-essential appliances as Centre Wellington competes against other municipalities to reduce energy consumption. Blackout Day commemorates the major 2003 power failure that reminded Ontario of the importance of conservation.

Blackout Day BBQ

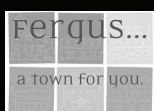

Templin Gardens, Fergus

11am - 3pm

On Blackout Day, power down your home or business and come enjoy lunch in Templin Gardens. Don't miss the FREE raffle for a barbecue and other energy-saving giveaways. • Check out cwhydro.ca for fun Blackout Day ideas!
